He alerted people that this situation will effect all property values in the neighborhood, not just those on Vista Valley Drive. He expressed his frustration on the slowness of resolving the issue. John Turner also addressed the group expressing his utter frustration. They both asked for suggestions in addition to asking everyone present to contact their commissioners, as well as Janice Scranton in the Code Enforcement Division. David will submit an article for publication in the next issue of the Neighborhood News asking for others in the neighborhood to write letters to our commissioners.
